SUBJECT: SMITH, Jaime Leonard
Case No.: 4:15-CR-60-1BO
Request for Early Termination

TO: Terrence W. Boyle
U.S. District Judge

On March 22, 2016, pursuant to a guilty plea to Perjury, Jaime Leonard Smith appeared in United States District Court for the Eastern District of North Carolina, and was sentenced to 3 years probation. Smith has performed satisfactorily on supervision. The defendant submitted to DNA testing and completed 150 hours of community service. Additionally, Smith was transferred to low intensity supervision in January 2017. The term of probation is set to expire on March 21, 2019.

On November 9, 2017, the defendant, through her attorney, filed a Motion for Termination of Probation with the court. On December 12, 2017, the government filed a Response in Opposition to Motion for Early Termination of Probation. The defendant's Motion for Termination of Probation remains pending before the court.

As a result of the defendant's compliance with the terms of probation and completion of one year in the Low Intensity Program, the probation office is requesting early termination. The U.S. Attorney's Office has been contacted and they object to our request for early termination due to the financial obligations that remain outstanding in the civil settlement. Please indicate the court's preference by marking the appropriate selection below.
